IMMUNIZATION RECORDS AND MEDICAL DOCUMENT MANAGER

Documentation of student immunization status is essential to ensure the health and safety of students and the patients/clients/residents in healthcare agencies that provide clinical learning experiences. It is the student's responsibility to ensure that adequate documentation of the listed requirements is loaded in the Medical Document Manager.

Lack of compliance with any of these requirements will prevent a student from entering the clinical area and completing his/her clinical training. Subsequent updates require that the student submit documentation with the Document Manager. Lapses in renewal or updating of required PPD testing, CPR training, and purchase of insurance during the program will also prevent a student from entering the clinical area and will jeopardize the student's enrollment in the program.

All requirements will be loaded into the Medical Document Manager called Complio®

<http://www.wenatcheevalleycompliance.com>

Please see the last page of this packet for Student Instructions and check due date.

Once you have purchased your package with the package code, you will be directed to set up your Complio® account. From this account you will load your documentation into the Medical Documentation Manager.

Official documentation is required: *Each record must be on the healthcare provider's letterhead, have the student's name, the date of immunization, the signature of the person administering the immunization, and the lot number of the vaccine administered.*

Wenatchee Valley College reserves the right to add to or modify these requirements as needed.

Complio® BACKGROUND CHECK

Washington State law (RCW 43.43.832) permits businesses or organizations that provide services to children, vulnerable adults, or developmentally disabled persons to request criminal history records. Facilities used for clinical work experience require clearance prior to the student being allowed to work in the facility. Prior to beginning any clinical work experience, a criminal record check (Complio®) is required of all students accepted into the health science programs at WVC, dated not more than forty-five (45) days prior to the beginning of the Program. The forms and instructions to initiate these background checks are included in this information packet. Students should note that facilities might require certain background checks. DSHS background checks might be requested at certain facilities. Clinical sites can request a background check to be repeated.

Students need to be aware that conviction of certain crimes may prevent completion of the clinical course requirements of the Program and may also prevent future licensing and employment in the health field.

Using the Student Instructions (form attached) to order your background check from <http://www.wenatcheevalleycompliance.com>. The background check cannot be dated more than 45 days before the start of the program.

TWO-STEP PPD or QuantIFERON® TB Gold Test (read this part carefully)

An initial negative two-step PPD is required, which means that two (2) separate tuberculin skin tests have been placed one (1) to three (3) weeks apart. Each test is read 48 to 72 hours after it has been placed. **This requires four (4) visits to your healthcare provider.** Documentation must show the dates and results of the tests, as well as the lot numbers of the vaccine. Students should not get any other vaccination with the first PPD.

Students with a positive PPD must provide documentation of a chest x-ray, treatment (if necessary), and a release to work

in a healthcare setting from a doctor or healthcare provider.

Tuberculin skin tests are required each year (annual renewal) and must be placed and read within one year following the initial two-step PPD.

As some facilities now utilize the QuantiFERON® TB Gold Test in place of the PPD, WVC will accept this method. This does not require a two-step initial skin test; however, the test must be performed annually.

If the student goes back to the PPD the year after having had the QuantiFERON® TB Fold, the two-step process is required.

PPD Timeline:

<u>Appointment with Healthcare Provider</u>	<u>Action</u>	<u>Time Interval</u>
First appointment	Initial injection	
Second appointment	Read results	48 to 72 hours from date/ time of injection; cannot be prior to 48 hours or later than 72 hours.
Third appointment	Second injection	One to three weeks after initial injection; cannot be less than one week or more than three weeks.
Fourth appointment	Read results	48 to 72 hours from date/ time of injection; cannot be prior to 48 hours or later than 72 hours.

HEPATITIS B VACCINE (complete series of three [3] injections) or positive titer with lab documentation

Students must have the first and second injections prior to entering the Program. Adults getting Hepatitis B vaccine should get three (3) doses, with the second dose given four (4) weeks after the first and the third dose five (5) months after the first. Your healthcare provider can tell you about other dosing schedules that might be used in certain circumstances. Positive titer (blood test-lab reports required) is acceptable.

TWO MMR (Measles, Mumps, Rubella) VACCINES or positive titer with lab documentation

Students must provide presumptive evidence of immunity to measles, rubella, and mumps. Presumptive evidence includes documented administration of two doses of live virus vaccine or positive titers (blood test for immunity of Mumps, Rubella and Rubeola-lab reports for all three required).

TETANUS/DIPHTHERIA/PERTUSSIS (Tdap) IMMUNIZATION

Students must have had a Tetanus/Diphtheria/ Pertussis injection, or booster, within the last ten (10) years.

**TWO CHICKENPOX (VARICELLA) VACCINES
or positive titer with lab documentation**

Students must have had two (2) Chickenpox injections or a positive Varicella titer (blood test for immunity-lab reports required).

FLU VACCINE

Depending on the availability of flu vaccine, each student is required to be vaccinated by the announced date, *typically after October and before December each year*. Leave the field blank until required.

**CPR FOR HEALTHCARE PROVIDERS CARD, HIV/AIDS CERTIFICATE
and DRUG SCREEN**

CPR FOR HEALTH CARE PROVIDERS

Students are required to maintain CPR Certification for Healthcare Providers, and the card must be renewed every two years. The CPR card must be issued by a person or facility qualified specifically to instruct CPR for *healthcare providers* (i.e., American Heart Association, American Red Cross, Central Washington Hospital [662.1511], and the WVC Health 051 class). Online classes will not be accepted.

HIV/AIDS TRAINING CERTIFICATE

Seven (7) hours of HIV/AIDS training is required. This may be obtained by taking HCA 113 (HIV/AIDS Education) for one (1) credit at WVC. Also, an online course is offered through *Wild Iris* at www.nursingceu.com. The Certificate is required, transcripts will not be accepted.

NEGATIVE DRUG SCREEN

Students must provide results of a standard, ten-panel drug screen, either urine-based or oral swab, dated not more than forty-five (45) days prior to the beginning of the Program (see attached drug screen information document).

WVC has chosen Complio® as an approved source for drug screening. After students have set up their Complio® account, they must:

- Have a Chain of Custody form (COC), which will come in the mail to the student after purchase of the drug screen.
- Take the COC to Confluence Health (either the Wenatchee Valley Clinic or the Omak Clinic) and provide the sample.
- Refrain from consuming large amounts of liquids just prior to the test.
- If you choose "other" you will select a Quest lab in your area. A chain of custody form will be emailed to you with instructions for the Quest lab.

Results will be forwarded by collection site to Complio®

(1) The legislature finds that businesses and organizations providing services to children, developmentally disabled persons, and vulnerable adults need adequate information to determine which employees or licensees to hire or engage. Therefore, the Washington state patrol criminal identification system may disclose, upon the request of a business or organizations defined in RCW 43.43.830, an applicant's record for convictions of offenses against children or other persons, convictions for crimes relating to financial exploitation, but only if the victim was a vulnerable adult, adjudications of child abuse in a civil action, the issuance of a protection order against the respondent under chapter 74.34 RCW, and

disciplinary board final decisions and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision. When necessary, applicants may be employed on a conditional basis pending completion of such a background investigation.

(2) The legislature also finds that the state board of education may request of the Washington state patrol criminal identification system information regarding a certificate applicant's record for convictions under subsection (1) of this section. (3) The legislature also finds that law enforcement agencies, the office of the attorney general, prosecuting authorities, and the department of social and health services may request this same information to aid in the investigation and prosecution of child, developmentally disabled person, and vulnerable adult abuse cases and to protect children and adults from further incidents of abuse.

(4) The legislature further finds that the department of social and health services, when considering persons for state positions directly responsible for the care, supervision, or treatment of children, developmentally disabled persons, or vulnerable adults or when licensing or authorizing such person or agencies pursuant to its authority under chapter 74.15, 18.51, 18.20, or 72.23 RCW, or any later-enacted statute which purpose is to license or regulate a facility which handles vulnerable adults, must consider the information listed in subsection (1) of this section. However, when necessary, persons may be employed on a conditional basis pending completion of the background investigation. The state personnel board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees. [1990 c 3 §1102. Prior: 1989 c 334 § 2; 1989 c 90 § 2; 1987 c 486 §§.] **Index, part headings not law-Severability-Effective dates-Application-1990 c 3:** See RCW 18.155.900 through 18.155.902.

(1) A business or organization shall not make an inquiry to the Washington state patrol under RCW 43.43.832 or an equivalent inquiry to a federal law enforcement agency unless the business or organization has notified the applicant who has been offered a position as an employee or volunteer, that an inquiry may be made.

(2) A business or organization shall require each applicant to disclose to the business or organization whether the applicant has been:

- (a) Convicted of crimes against children or other persons;
- (b) Convicted of crimes relating to financial exploitation if the victim was a vulnerable adult;
- (c) Found in any dependency action under RCW 13.34.040 to have sexually assaulted or exploited any minor or to have physically abused any minor;

- (e) Found in any disciplinary board final decision to have sexually or physically abused or exploited any minor or developmentally disabled person or to have abused or financially exploited any vulnerable adult; or
- (f) Found by a court in a protection proceeding under chapter 74.34 RCW, to have abused or financially exploited a vulnerable adult.

The disclosure shall be made in writing and signed by the applicant and sworn under penalty of perjury. The disclosure sheet shall specify all crimes against children or other persons and all crimes relating to financial exploitation as defined in RCW 43.43.830 in which the victim was a vulnerable adult.

(3) The business or organization shall pay such reasonable fee for the records check as the state patrol may require under RCW 43.43.838.

(4) The business or organization shall notify the applicant of the state patrol's response within ten days after receipt by the business or organization. The employer shall provide a copy of the response to the applicant and shall notify the applicant of such availability.

(5) The business or organization shall use this record only in making the initial employment or engagement decision. Further dissemination or use of the record is prohibited. A business or organization violating this subsection is subject to a civil action for damages.

(6) An insurance company shall not require a business or organization to request background information on any employee before issuing a policy of insurance.

(7) The business and organization shall be immune from civil liability for failure to request background information on an applicant unless the failure to do so constitutes gross negligence. 43.43.836 Disclosure to individual of own record--Fee. An individual may contact the state patrol to ascertain whether that same individual has a civil adjudication, disciplinary board final decision, or conviction record. The state patrol shall disclose such information, subject to the fee established under RCW 43.43.838. [1987 c 486 § 4.]

43.43.838 Record checks-Transcript of conviction record, disciplinary board decision, criminal charges, or civil adjudication-Finding of no evidence, identification document-Immunity-Rules.

(1) After January 1, 1988, and notwithstanding any provision of RCW 43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or civil adjudication record pertaining to any person for whom the state patrol or the federal bureau of investigation has a record upon the written request of:

- (a) The subject of the inquire;
- (b) Any business or organization for the purpose of conducting evaluation under RCW 43.43.832;
- (c) The department of social and health services;
- (d) Any law enforcement agency, prosecuting authority, or the office of the attorney general; or
- (e) the department of social and health services for the purpose of meeting responsibilities set forth in chapter 74.15, 18.51, 18.20, or 72.23 RCW, or any later-enacted statute which purpose is to regulate or license a facility which handles vulnerable adults. However, access to conviction records pursuant to this subsection (1)(e) does not limit or restrict the ability of the department to obtain additional information regarding conviction records and pending charges as set forth in RCW 74.15.030(2)(b).

After processing the request, if the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or adjudication record shows no evidence of a crime against children or other persons or, in the case of vulnerable adults, no evidence of crimes relating to financial exploitation in which the victim was a vulnerable adult, an identification declaring the showing of no evidence shall be issued within fourteen working days of the request. Possession of such identification shall satisfy future record check requirements for the applicant for a two-year period unless the prospective employee is any current school district employee who has applied for a position in another school district.

(2) The state patrol shall by rule establish fees for disseminating records under this section to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by rule establish fees for disseminating records in the custody of the national crime information center. The revenue from the fees shall cover, as nearly as practicable, the direct and indirect costs to the state patrol of disseminating the records; PROVIDED, That no fee shall be charged to a nonprofit organization for the records check: PROVIDED FURTHER, That in the case of record checks using fingerprints requested by school districts and educational service districts, the state patrol shall charge only for the incremental costs associated with checking fingerprints in addition to name and date of birth. Record checks requested by school districts and education service districts using only name and date of birth shall continue to be provided free of charge.

(3) No employee of the state, employee of a business or organization, or the business or organization is liable for defamation, invasion of privacy, negligence, or any other claim in connection with any lawful dissemination of information under RCW 43.43.830 through 43.43.840 or 43.43.760.

(4) Before July 26, 1987, the state patrol shall adopt rules and forms to implement this section and to provide for security and privacy of information disseminated under this section, giving first priority to the criminal justice requirements of this chapter. The rules may include requirements for users, audits of users, and other procedures to prevent use of civil adjudication record information or criminal history record information inconsistent with this chapter.

(5) Nothing in RCW 43.43.830 through 43.43.840 shall authorize an employer to make an inquiry not specifically authorized by this chapter, or be construed to affect the policy of the state declared in chapter 9.96A RCW. [1992 c 159 § 7; 1990 c 3 § 1104. Prior: 1989 c 33 § 4; 1989 c 90 § 4; 1987 c 486 § 5.] **Findings-1992 c 159:** See not following RCW 28A.400.303. **Index, part headings not law-Severability-Effective dates-Application-1990 c 3:** See RCW 18.155.902

43.43.839 Fingerprint identification account. The fingerprint identification account is created in the custody of the state treasurer. All receipts from incremental charges of fingerprint checks requested by school districts shall be deposited in the account. Receipts for fingerprint checks by the federal bureau of investigation may also be deposited in the account. Expenditures from the account may be used only for the cost of record checks. Only the chief of the state patrol or the chief's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW. No appropriation is required for expenditures prior to July 1, 1995. After June 30, 1995, the account shall be subject to appropriation. [1992 c 159 § 8] **Findings-1992 c 159:** See note following RCW 28A.400.303

43.43.840 Notification of physical or sexual abuse or exploitation of child or vulnerable adult-Notification of employment termination because of crimes against persons. (1) The supreme court shall by rule require the courts of the state to notify the state patrol of any dependency action under *RCW 13.34.030(2)(b), domestic relations action under Title 26 RCW, or protection action under chapter 74.34 RCW, in which the court makes specific findings of physical abuse or sexual abuse or exploitation of a child or abuse or financial exploitation of a vulnerable adult.

(2) The department of licensing shall notify the state patrol of any disciplinary board final decision that includes specific findings of physical abuse or sexual abuse or exploitation of a child or abuse or financial exploitation of a vulnerable adult.

(3) When a business or an organization terminates, fires, dismisses, fails to renew the contract, or permits the resignation of an employee because of crimes against children or other persons or because of crimes relating to the financial exploitation of a vulnerable adult, and if that employee is employed in a position requiring a certificate or license issued by a licensing agency such as the state board of education, the business or organization shall notify the licensing agency of such termination of employment. [1989 c 334 § 5; 1989 c 90 § 5; 1987 c 486 § 6.] **Reviser's note:** (1) This section was amended by 1989 c 90 § 5 and by 1989 c 334 § 5, each without reference to the other. Both amendments are incorporated in the publication of this section pursuant to RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1)

(2) Dependency actions are undertaken pursuant to RCW 13.34.040

43.43.842 Vulnerable adults-Additional licensing requirements for agencies providing services. (1) the secretary of social and health services and the secretary of health shall adopt additional requirements for the licensure or relicensure of agencies or facilities which provide care and treatment to vulnerable adults. These additional requirements shall ensure that any person associated with a licensed agency or facility having direct contact with a vulnerable adult shall not have been: (a) Convicted of a crime against persons as defined in RCW 43.43.830, except as provided in this section; (b) convicted of crimes relating to financial exploitation as defined in RCW 43.43.830, except as provided in this section; (c) found in any disciplinary board final decision to have abused a vulnerable adult under RCW 43.43.830; or (d) the subject in a protective proceeding under chapter 74.34 RCW.

(2) The rules adopted under this section shall permit the licensee to consider the criminal history of an applicant for employment in a licensed facility when the applicant has one or more convictions for a past offense and:

(a) The offense was simple assault, assault in the fourth degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(b) The offense was prostitution, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(c) The offense was theft in the third degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(d) The offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment;

(e) The offense was forgery, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment.

The offenses set forth in (a) through (e) of this subsection do not automatically disqualify an applicant from employment by a licensee. Nothing in this section may be construed to require the employment of any person against a licensee's judgment.

In consultation with law enforcement personnel, the secretary of social and health services and the secretary of health shall investigate the conviction record and the protection proceeding record information under chapter 43.43.RCW of each agency or facility and its staff under their respective jurisdictions seeking licensure or relicensure. The secretaries shall use the information solely for the purpose of determining eligibility for licensure or relicensure. Criminal justice agencies shall provide the secretaries such information as they may have and that the secretaries may require for such purpose. [1992 c 104 § 1; 1989 c 334 § 11.]

43.43.845 Crimes against children-Notification of conviction or guilty plea of school employee. (1) Upon a guilty plea or conviction of a person of any felony crime involving the physical neglect of a child under chapter 9A.42 RCW, the physical injury or death of a child under chapter 9A.32 or 9A.36 RCW (except motor vehicle violations under chapter 46.61 RCW), sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, or the sale or purchase of a minor child under RCW 9A.64.030, the prosecuting attorney shall determine whether the person holds a certificate or permit issued under chapters 28A.405 and 28A.410 RCW or is employed by a school district. If the person is employed by a school district or holds a certificate or permit issued under chapters 28A.405 and 28A.410 RCW, the prosecuting attorney shall notify the state patrol of such guilty pleas or convictions.

(2) When the state patrol receives information that a person who has a certificate or permit issued under chapters 28A.405 and 28A.410 RCW or is employed by a school district has pled guilty to or been convicted of one of the felony crimes under subsection (1) of this section, the state patrol shall immediately transmit that information to the superintendent of public instruction. It shall be the duty of the superintendent of public instruction to provide this information to the state board of education and the school district employing the individual who pled guilty or was convicted of the crimes identified in subsection (1) of this section. [1990 c 33 § 577; 1989 c 320 § 6.]

the specific program packet for the directions and package code). Official documentation of immunizations and program requirements is mandatory. Each immunization record must be on the health care provider's letterhead, have the student name, date of immunization, the lot number of the vaccine, and the signature of the person administering the immunization. All other documentation must be on the provider's official stationery and have the student name, date of completion, and provider signature, as necessary.

NOTE: The following immunizations are required for participation in clinical learning experiences. Students WILL NOT be allowed into the clinical site without current immunizations and requirements loaded into the document manager.

- **Tetanus/Diphtheria/Pertussis (Tdap) Immunization**
Students must have had a Tetanus/Diphtheria/ Pertussis injection, or booster, within the last ten (10) years. The immunization must be a Tdap; Td will not be accepted as the Tdap vaccine. The Tdap includes the pertussis vaccine that is required. Pertussis protection wears off with time.
- **Measles, Mumps, Rubella (MMR) Vaccines, or Titer**
Students must provide presumptive evidence of immunity to measles, rubella, and mumps. Presumptive evidence includes documented administration of two doses of live virus vaccine or positive titers (blood test for immunity of Mumps, Rubella, and Rubeola).
- **Hepatitis B Vaccines (complete series of three [3] injections)**
Students must have the first and second injections prior to entering the Program. Adults getting Hepatitis B vaccine should get three (3) doses, with the second dose given four (4) weeks after the first and the third dose five (5) months after the second. Your healthcare provider can tell you about other dosing schedules that might be used in certain circumstances. Positive titer (blood test) is acceptable. *CDC Guidelines recommend titer verification after one month of completion of Hepatitis B series.*
- **Two-Step PPD (Tuberculin Skin Tests)**
An initial negative two-step PPD is required, which means that two (2) separate tuberculin skin tests have been placed one to three weeks apart. Each test is read 48 to 72 hours after it has been placed. This requires four (4) visits. Documentation must show the dates and results of the tests, as well as the lot numbers of the vaccine. Students should not get any other vaccination with the first PPD.

Students with a positive PPD must provide documentation of a chest x-ray, treatment (if necessary), and a release to work in a healthcare setting from a doctor or healthcare provider.

Tuberculin skin tests are required each year (annual renewal) and must be placed and read within one year following the initial two-step PPD.

As some facilities now utilize the QuantiFERON® TB Gold Test in place of the PPD, WVC will accept this method. . **If the student goes back to the PPD the year after having had the QuantiFERON® TB Fold, the two-step process is required.**
- **Chickenpox (Varicella) Immunization**
Students must have had two (2) Chickenpox injections or a positive Varicella titer (blood test for immunity).
- **Flu Vaccination**
Depending on the availability of flu vaccine, students will be required to be vaccinated each Fall Quarter by the announced date or before December 1, depending on the flu season.

- **Negative Drug Screen**

Students must provide results of a standard, ten-panel drug screen, either urine-based or oral swab, dated not more than forty-five (45) days prior to the beginning of the Program. If MLT students have their drug screens anywhere but Confluence Health (formerly Central Washington Hospital), they must have the facility send a copy of the drug screen report directly to the MLT Program Director. The student must load a copy of the drug screen report onto the ITS.

- **CPR For Healthcare Providers**

The CPR card must be issued by a person or facility qualified specifically to instruct CPR for healthcare providers (i.e., American Heart Association, American Red Cross, Central Washington Hospital [665.6036], the WVC Health 051 class, and American Safety & Health Institute HealthCare Provider). Online classes are not acceptable.

Students are required to maintain CPR Certification for Healthcare Providers for the duration of their attendance, and the card must be renewed every two years.

- **HIV/AIDS Training Certificate**

Seven (7) hours of HIV/AIDS training, as required in chapter 246-12 WAC, Part 8, can be obtained by taking HCA 113 for 1 credit at WVC. An online course is offered through Wild Iris at www.nursingceu.com. AIDS education and training must include, but is not limited to, the following: Etiology and epidemiology; testing and counseling; infection control guidelines; clinical manifestations and treatment; legal and ethical issues, to include confidentiality; and psychosocial issues, to include special population considerations.

- **BACKGROUND CHECKS**

Washington State law (RCW 43.43.832) permits businesses or organizations that provide services to children, vulnerable adults, or developmentally disabled persons to request criminal history records. Facilities used for clinical work experience require clearance prior to the student being allowed to work in the facility. Prior to beginning any clinical work experience, criminal record checks (Complio®) are required of all students accepted into the Allied Health programs at WVC, dated not more than forty-five (45) days prior to the beginning of the Program. Use the student instructions and package code provided.

Students need to be aware that conviction of certain crimes may prevent completion of the clinical course requirements of the Program (thereby preventing completion of the Program) and may also prevent future licensing and employment in the health field.
