

Part-Time Faculty Positions

Math & Sciences

We have immediate needs for instructors in the following areas (Wenatchee campus unless otherwise noted):

- **Nothing at this time**

We are looking for enthusiastic teachers who set high expectations but are eager to help students meet those expectations. Interested applicants must also have a master's degree in the field* (or in a directly-related field). Experience teaching at the college level—particularly at the community college level—is preferred. Your cover letter should directly address the ways in which you meet these qualifications and expectations.

* BA plus 24 graduate credit hours in subject may be accepted.

If interested, please send your **resume**, a **cover letter** and copies of your **transcripts** (unofficial are fine) to (application will be completed upon hire):

Holly Bringman
Dean of Math & Sciences
Wenatchee Valley College
1300 Fifth Street
Wenatchee WA 98801

Or e-mail materials to Abby LeRiche at aleriche@wvc.edu.

English, Arts, Humanities

- **Communication Studies – Omak and Wenatchee campuses**

We are looking for enthusiastic teachers who set high expectations but are eager to help students meet those expectations. Interested applicants must also have a master's degree in the field* (or in a directly-related field). Experience teaching at the college level—particularly at the community college level—is preferred. Your cover letter should directly address the ways in which you meet these qualifications and expectations.

* BA plus 24 graduate credit hours in subject may be accepted.
